Please read and initial each of the following:

- I understand that this will be an 8 week, 8 credit field class (AP460)
I understand that a 1-week, 2-credit pre-session (AP260) is recommended before AP460
I understand that we may be camping, living, and working under primitive and sometime severe field conditions. We will be working in grizzly bear habitat and special safety and camp rules apply
I understand that at times the level of physical activity will be high (e.g. carrying heavy packs over difficult trails) and we will often be working at elevations above 2500 m (>8200 ft).
I understand that as part of the field school, I will share responsibility for preparation of meals, camp clean-up, and general field camp maintenance activities.
I understand that in addition to the tuition and fees, there is also a special course fee of \$50/ credit hour for the 8 hour AP460 class
I understand that the specific schedule for fieldwork and the sites to be studied is still tentative.

Table with 2 columns: Cost Category, Amount. Rows include Course fee (\$400), Undergraduate tuition for 9 or more credits (Colorado residents \$1,778, non-residents \$6,300).
